**NOTE:** A license is required for the use of all Dolby trademarks. Please contact Dolby Laboratories ([trademarkagreement@dolby.com](mailto:trademarkagreement@dolby.com)) for a Trademark Agreement.

## 2 Suggested Layouts for Videotape Packaging

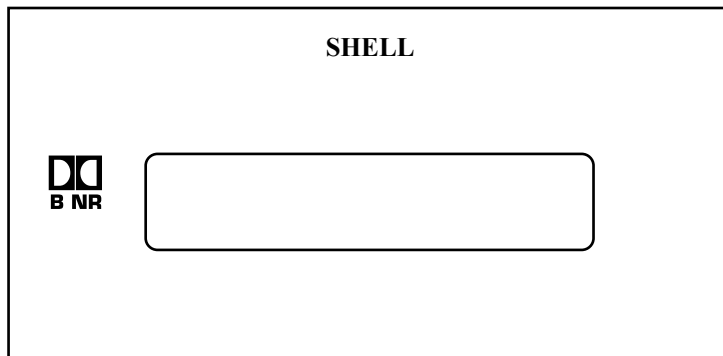

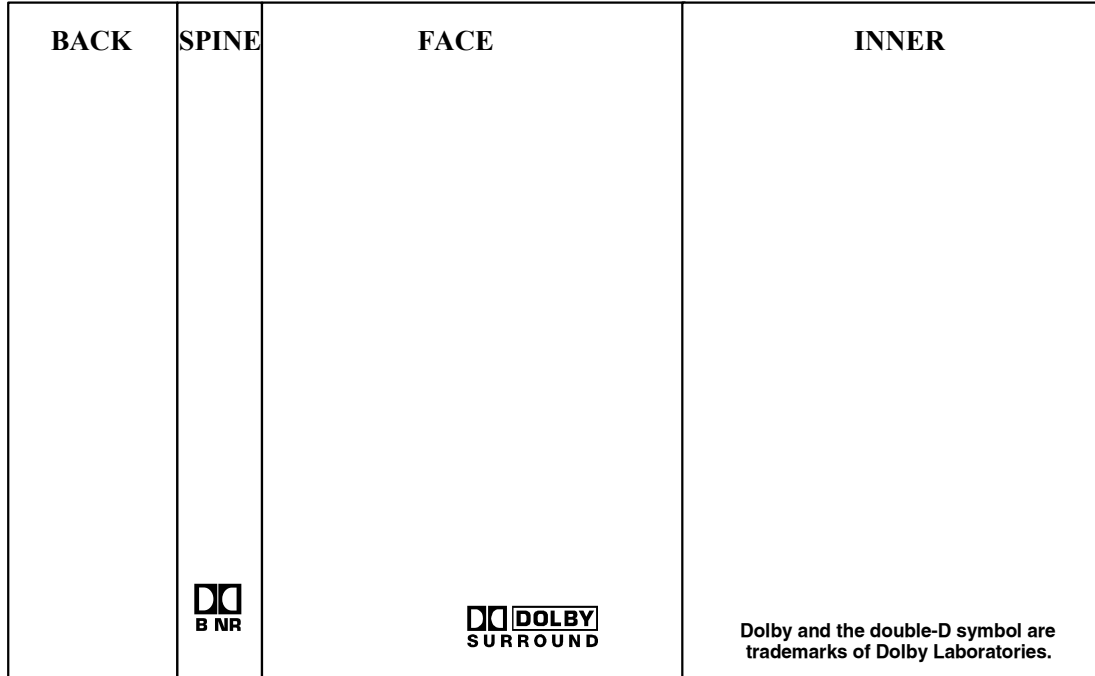

On videotapes encoded with Dolby Surround:

Dolby and the double-D symbol are trademarks of Dolby Laboratories.

### 3 Suggested Layouts for Audio Cassette Packaging

On audio cassettes encoded with Dolby Surround and B-type noise reduction:

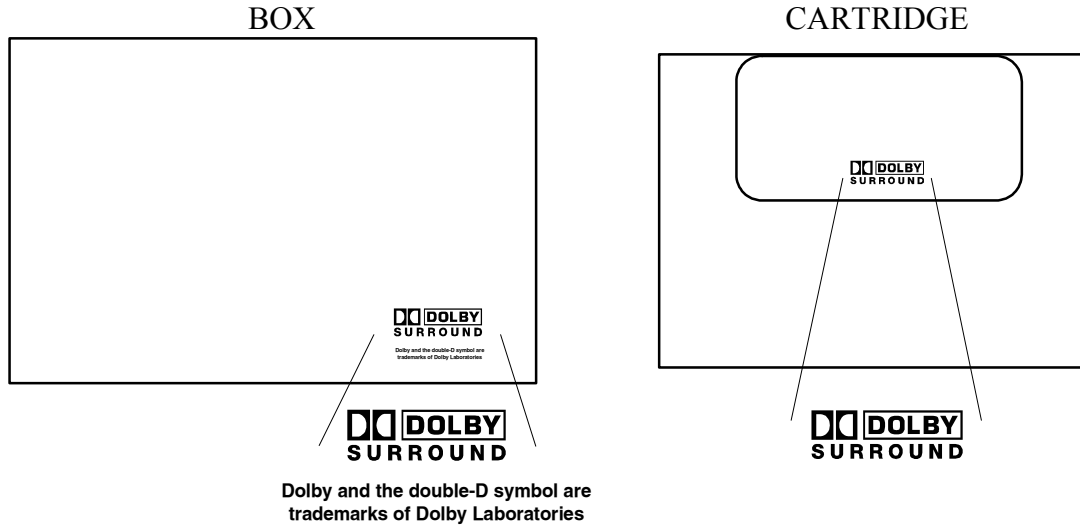

In addition, the Licensee may wish to include the following advisory notice:

This tape has been produced with the Dolby Surround encoding system and Dolby B-type noise reduction. It is fully compatible with stereo or monophonic reproduction.

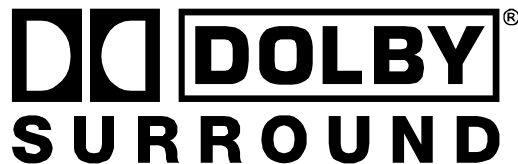

## 4 Suggested Layouts for Game Cartridge Packaging

On video game cartridges encoded with Dolby Surround:

## 5 Suggested Trademark Placement in Broadcasts and Onscreen Displays

It is recommended that the Dolby Surround logo shown below be displayed in the opening credits of a broadcast program or in the beginning scenes of DVD or game software to properly identify that it has been produced with a Dolby Surround soundtrack. The logo may also appear in the end credits of broadcasts or be displayed in software as a screen shot during any applicable sequence.

The logo should be on screen for no less time than any other sound or technical credits.

The Dolby Surround logo is available in video format upon request. Please contact [trademarkagreement@dolby.com](mailto:trademarkagreement@dolby.com).

## 6 Dolby Trademarks in Text

Whenever any Dolby trademark is used in textual material, place an asterisk next to the trademark and acknowledge Licensor's ownership by including the following footnote:

\* Trademark of Dolby Laboratories.
